Residential Memory Care

NEW  
**Value Option**

Affordable Memory Care

## The Right Care at the Right Price

The rising cost of assisted living has put quality specialized memory care out of reach for many families. As the Memory Care Experts, ActivCare recognized that a more affordable option was missing from the marketplace, and we have stepped up to meet this challenge.

Introducing

### ActivCare's New Value Option

Your trusted South San Diego provider, **ActivCare Rolling Hills Ranch**, now offers more affordable residential living options that provide the same access to the proven program in our specially designed memory care community, where all residents receive these benefits:
