

ACTIVCARE[®]
Residential Memory Care

NEW
Value Option

Affordable Memory Care

The Right Care at the Right Price

The rising cost of assisted living has put quality specialized memory care out of reach for many families. As the Memory Care Experts, ActivCare recognized that a more affordable option was missing from the marketplace, and we have stepped up to meet this challenge.

Introducing

ActivCare's New Value Option

Your trusted Orange County provider, **ActivCare Yorba Linda**, now offers more affordable residential living options that provide the same access to the proven program in our specially designed memory care community, where all residents receive these benefits:

- A robust **daily activity program** that is tailored to those with dementia and designed to engage and enhance the quality of life for every resident
- **Licensed nursing** staff scheduled on-site 24/7
- Round-the-clock caregivers **specially trained in dementia care**
- **Nurse case management** and physician services offered on-site
- Medication management and dispensation
- Chef prepared meals

Monthly rates for semi-private furnished companion accommodations **inclusive of care*** start at **\$6,150/mo.**

**Incontinence care and supplies are extra.*
